Bryan's comment on books he uses:

I'm not sure if this resource fits Kevin's request, since I didn't mention it on Sunday, but there's a book I find really helpful in my daily quiet time. It's called the IVP Bible Background Commentary. It gives customs and historical information arranged in the same order as the Bible itself, so you can just look up information on any verse you're wondering about. There are two volumes, and I like the NT volume by Craig Keener the best.
