The Jesus Film Project

## **And Change Lives for Eternity**

Every eight seconds, somewhere in the world, another person indicates a decision to follow Christ after watching the "JESUS" film.

Called by some “one of the best-kept secrets in Christian missions,” a number of mission experts have acclaimed the film as one of the greatest evangelistic tools of all time. Since 1979 more than 200 million men, women and children worldwide have indicated decisions to follow Jesus after viewing the film. In addition, through hundreds of partners an estimated **10+ million** decisions have been made as the film "JESUS" is used extensively by the Body of Christ worldwide.

**"But how can any single film reach so many people and touch so many lives?"**

**It is the power of the Word of God in their heart language.**

Based on the Gospel of Luke, the "JESUS" film has now been translated into more than 1,120 languages, with new languages being added every month. This allows God's Word to speak to people in more than 200 countries in languages they know and understand. By God's grace, it is yielding a spiritual harvest of unprecedented results.

Not only is the story of the "JESUS" film one of effective evangelism, but also of a powerful tool for expanding the church worldwide. According to Dr. Stephen Steele, a noted missions expert and former CEO of DAWN Ministries (c. 2001):

"Three quarters of all churches planted in the last decade (1990's) around the world used the 'JESUS' film as part of the church-planting process."

God is using this film in powerful ways to reach people and build spiritual movements worldwide. And yet, so much of the world remains in spiritual darkness. Billions of people have never had the opportunity to hear God's message of salvation and say "yes" to Christ.

**The JESUS Film Project is reaching millions with the gospel of Christ, but with your help, so many more can be reached.** By getting involved today, you can make a difference in the lives of people through the message of hope—Jesus, and bring God's light into the darkness.
