The Potts

Serving with Global Ministries Team

One Challenge
OC INTERNATIONAL MINISTRIES
Reaching the world together

After entrusting us with ministries in three of North America's four corners—Southern California, the Pacific Northwest, and Quebec—God has now moved us to the center, in Colorado Springs.

We anticipate juggling three "balls" as we serve him in this new location. We hope to help develop an ethnic network of churches in Colorado's main cities that will move folks from a survival to a sending mentality. Secondly, we want to come alongside new and returning missionaries as they process their marital and family experience overseas. Thirdly, we want to support teams in Africa, Europe, and the Arab world in developing people with stronger leadership, partnering, and parenting skills.

We served in southern Africa for 10 years, during which our four children were born. Adults now, they support our calling. Please pray for our health, strength, and a growing sense of how we can serve the Lord in OC as part of his "solution."
